Financial Year:

The Financial Year shall start on 1 November, and close on 31 October in the following year.

Dulcie Liddelow Memorial Trophy - (DLMT): (18 hole players) This event is played over 5 qualifying rounds at each Club. It is a nett event. The aggregate nett score of the best 4 rounds is taken. The player with the lowest score is the club winner. If there is a tie at club level, a count back will decide the winner.

The result should be forwarded to the Tournament Director before second Monday in August, together with all applicable fees. The winner at club level will receive a badge from the League to keep, and will be entitled to take part in the League DLMT final.

In **extenuating circumstances** only (such as illness), the runner-up may take the place of the winner at the finals. She will be able to win the DLMT trophy on the day, but not the trophy allocated by the League for club winners. A player may enter from each League club of which she is an Associate.

Judy Sinclair Memorial Trophy - (JSMT): There are no qualifying rounds required for this event. It is an 18 hole tournament open to all players on handicaps of 30 to 45, (or such handicaps as authorised by Match Committee). This is an individual Stableford event, held in conjunction with a team event comprising of 4 players per team.

Lucy Greene Memorial Trophy - (LGMT): For 9 hole players only. The same format as DLMT and a play off on the same day. Each club winner receives a badge from the League to keep.

PERTH SUBURBAN DISTRICT CHAMPIONSHIP

This is a GolfWA-sponsored event, conducted each year on a date in early October as agreed by Match Committee and is usually played at the Maylands Peninsula Golf Course. The Championship is a closed gross competition; therefore the District Champion must be an Associate of a member club of the Perth Suburban Women's Golf League.

Gross and nett teams competitions are also closed. The tournament includes open gross and nett, and veterans' competitions, in which players from clubs other than Perth Suburban Women's Golf League member clubs may participate. Players can win more than one gross trophy but only one nett trophy.

PENNANT INFORMATION

After the closing date for Pennant entries, the teams are placed in divisions, depending on the number of entries, and the handicap average of each team submitted. Whilst every effort is made to avoid placing more than one team from the same club in any division, sometimes the handicap averages make this impossible.

CHAMPION OF CHAMPIONS FINAL

This event is conducted each year on a date decided by Match Committee. The **champion only** from each club is eligible to play, and there can be no substitutions. The club champion can represent every club of which she is champion. The gross winner of the Final is the League Champion, and there is a nett winner in conjunction.

CHAMPION 4BBB

It is each club's responsibility on how they decide their 4BBB champions. Substitutions may be made for Finals day. The Gross winners will be the League champions, and there will be a nett event in conjunction. A date will be set by Match Committee each year for the Final play-off.

** Club Championships and Champion 4BBB to be completed and the results in the hands of the Tournament Director by the due date.
