

Metro Championship Review

Whaleback Golf Course

13th June 2022

A good field of 86 enthusiastic competitors braved the threat of rain and wind to play the Metro Championships at Whaleback today. Thankfully the weather held off with just a couple of light showers and gentle winds.

Our Tournament directors had secured us another early shotgun start, so everyone was away by 7.30am. The course was in good condition and the greens played well. The field moved along very well and were all in by just after 12pm to enjoy a nice roast lunch. As the results were being calculated there was the raffle and lucky number draws.

Congratulations to our Metro Champion and all other respective winners. Well done again by our Tournament Directors, Iona and Jill and able assistant Megan, quite a job calculating so many "competitions" with the inclusion of the Team events, another successful and enjoyable day out.

Thanks also to Whaleback Pro shop and kitchen for looking after us, I hope everyone enjoyed their day.
