

District Championship Review

Monday 10th October

A good field of 92 players nominated for our final 2022 competition, including five visitors for the Open Event, held at Maylands Golf Course. The early rain looked like it had cleared but alas two holes in, the heavens opened, the wind picked up and conditions became a little more challenging. The course, although now quite wet, held up okay and was presented very well, although several comments were made that the greens were hard to read. Clearly putting was causing problems for more than just me.

The earlier 7.30am shotgun start meant that everyone was rolling in by 11.30am and indulging in some nice soup and sandwiches. Good camaraderie and noisy chat ensued while the results were collated and the different individual and team winners were decided. The new system certainly makes things very quick and efficient, calculating countbacks etc without scouring back through all the cards.

The raffles and money board were drawn for the lucky winners. Congratulations to our District Champion in Lynley Hunter and to all the other respective winners on the day. Many thanks to Jill and Iona for preparing and organising the event, thanks also to the rest of the committee for all you do to make these events run smoothly. I hope all the participants enjoyed your day and we thank you all for coming along.
