

# Presentation Day Lunch Review

With our playing season for PSWGL all wrapped up, it was time to recognise and present all the worthy winners with their trophies and badges. The beautiful venue at the MAAC club turned it on again, with bright sunshine, the spectacular ocean views and the scrumptious lunch.

A warm welcome to our 115 ladies representing 18 of our member clubs, all dolled up in their finery, almost unrecognisable out of their golf attire. It was especially pleasing to see our 3 senior Life Members in Marj Malatesta, Shirley Simpson and Joan Nicoli present. Their historic contributions and presence is testament to the commitment and longevity the League cherishes today.

Our season has run smoothly and all our events have been well attended. The variety of game formats, venues and challenges keeps the fixtures interesting. Thanks to Tournament Directors Jill Wirth and Iona Gallagher. They have done a marvellous job in preparing all the trophies, having them all engraved and collected ready to present and quite a full table load there were. Thanks once again to the many trophy donors past and present.

Congratulations to all of the worthy winners. Special mention to our Champion of Champions, Andrea Carruthers, and our District Champion, Lynley Hunter, perhaps our most prestigious individual awards.

Thanks once again to all the committee, especially, Jan Graham, our Secretary, for organising, booking and liaising with the venue presenting such a wonderful day. No raffles this year as the League decided to donate 2 wonderful Xmas hampers and vouchers.

I hope everyone who came along enjoyed themselves.
